

1st Annual Monday Creek Restoration Project Art Contest!

Students in grades pre K through 3 are invited to enter the first annual Monday Creek art contest!

The rules are simple; simply draw a picture that includes a stream! Easy as that! It could be something you have seen or a stream you have made up! Students are encouraged, but not required to make their picture involve the holidays!

The contest is **free** to enter and all students that submit a drawing will be entered to win a **prize package** from Monday Creek! The prize package includes a t-shirt, fishing pole, and other goodies!

Please put the student's name, age, grade, school, and contact information (e-mail or phone; so we can alert the winner), **on the back of the art work**. Please **do not** put personal information of the front of the art work.

Entries may be mailed to the Monday Creek Restoration Project at P.O. Box 129 New Straitsville, OH 43766, or dropped off at the MCRP office at 115 West Main Street in New Straitsville.

Entries are due to MCRP by Thursday December 15 at 5 pm.
The winner will be chosen Friday December 16.

Please note, all entries become property of the Monday Creek Restoration Project and may be used for promotional purposes. Once the artwork has been entered, it will not be returned to the artist.
